

test suite HistoryTasksViewTests for view HistoryTasksView  {

scenario: All tasks shown

given October 2008 and Task 'Task A' and Task 'Task B'

when Load view for month 10 of 2008

then Tasks table shows 2 rows

and First row is selected

```
<Tasks month="Oct">
  <Task name="Task A" days="2">10:00:00</Task>
  <Task name="Task B" days="1">4:30:00</Task>
</Tasks>
```

LoadView(10, 2008) |

assert Tasks

Task	Time	Days
Task A	10:00:00	2
Task B	4:30:00	1

scenario: No filters loaded

given No filters

when Load view for month 10 of 2008

then Filters is empty

and Only AddFilter button is sensitive

```
<Filters></Filters>
```

LoadView(10, 2008) |

assert Filters

Name	ContentRule	Value
------	-------------	-------

assert AddFilter 

assert EditFilter 

assert RemoveFilter 

scenario: One filter loaded

given One filter

when Load view for month 10 of 2008

then Filters shows one row

and First row is selected

and All filter buttons are sensitive

```
<Filters>
  <Filter name="Duration" Rule="more_than">02:00:00</Filter>
</Filters>
```

LoadView(10, 2008) |

assert Filters

Name	ContentRule	Value
Duration	more than	02:00:00

assert AddFilter 

assert EditFilter 

assert RemoveFilter
